

# TRAVEL NEWS FROM DANNY'S LUXURY CRUISE VACATIONS!

While our name says cruises, we are more than amazing cruise vacations. We also offer amazing all inclusive resort vacations. One of the companies that I work very closely with is Karisma Hotels & Resorts.

Properties in their portfolio are El Dorado, Generations, Margaritaville Island Reserve, Nickelodeon, Hidden Beach, Azul and Karisma Villas. I have stayed at a two of their resorts and they are fantastic. The food and service, AMAZING!

Some of the resorts are adults only like El Dorado and some are family friendly like Generations and Nickelodeon.

I have visited many of these properties in the Riviera Maya area of Mexico. There are also properties in Jamaica and the Dominican Republic.

Besides being able to offer you amazing resorts with amazing food and service, we have the ability to offer you transfers to and from the airport as well as excursions. We can pre purchase the excursions for you so that you can plan your stay accordingly.

Plan something in the morning and relax at the pool or the beach in the afternoon. Whether you want to see the pyramids in Tulum or go jet skiing we can

set this all up for you. I also have amazing contacts at the resorts.
